

## The Interior Journal.

E. C. WALTON.

BEFORE another issue of this paper is printed the year of 1906 will have been ushered in and let us all join in hoping that it will be a prosperous and good one. The year now rapidly drawing to a close has treated us all pretty well, thank you, and few of us have cause for complaint. Monday next is the day for good resolutions. Make a few good ones and stick to your pledge. Let one of the resolves be your assistance in elevating the morals of the community in which you live and in helping mankind whenever and wherever you can. These kept you will find 1906 the happiest year of your life.

AN Episcopal clergyman at Fitchburg, Mass., has raised a storm in his church by declaring his disbelief that prohibition can promote the cause of temperance. He goes still further in expressing the opinion that the proper use of beer and light wines conduces to "congenial and healthy companionship and intercourse;" and he cites the beer gardens of Germany as "positive forces for good in the social life of that nation." The Fitchburg parson may be putting it a little strong in the latter proposition, but only fanatics are convinced that prohibition is the proper remedy for the drink evil.

DEMOCRATIC members of both houses of the General Assembly have been called to meet Tuesday, in the House of Representatives, at 8 o'clock, for the purpose of organizing by the election of a chairman and a secretary. A call was also issued by Mr. McQuinn for a caucus Monday night, of the House Democrats and the Senate Democrats, each to elect a chairman and a secretary. The chairman of the State Committee has no power to call a caucus for the nomination of a Senator, but it is claimed that he has the power to call the caucus for the purpose of organization.

THE Somerset Journal, The Mountaineer, The Jessamine Journal and The Mt. Vernon Signal all issued creditable Christmas numbers, but that of the latter was a thing of beauty. It was an illustrated edition, containing pictures and a write-up of the most prominent people and interesting places in Rockcastle county and a complete history as well. We congratulate Brer Albright on his splendid effort.

THE Commissioner of Immigration reports that 1,026,499 foreigners found abiding places in the land of the free during the year. A vast majority of them are undesirable people and will add much to the growing discontent felt by a class in this country. Congress must do something to restrict the growing influx of foreigners, but some of the bills proposed are absurd and puerile.

THE INTERIOR JOURNAL desires to thank its patrons for the liberal patronage it has received and to solicit a continuance of it in the year almost here. No paper ever had a better constituency nor was a paper ever published in a better town and community. For these blessings the I. J. is duly thankful and it feels to congratulate itself during this gay and festive season.

ANOTHER for Paynter. At a mass meeting of the Democrats of Mercer county called by Representative J. T. Royalty, he was instructed to vote for Judge Paynter for United States Senator by an almost unanimous expression of sentiment. He was also requested to vote for Lawrence for Speaker.

THE Henry Clay statue at Lexington is without a head, and the one at Louisville had a finger knocked off by the falling debris of the burning courthouse. Seems like the old Commoner is playing in ill luck now that he can no longer help himself.

FROM present indications Judge Thomas H. Paynter will be nominated for U. S. Senator on the first ballot and have enough votes to spare to throw a few each to candidates Blackburn and Haldeman.

THE Kentucky Prison Commissioners make a pretty good report, but they are not in it with those of Tennessee. They show a clear profit of \$232,856.66 on their convicts this year.

THE new blue book shows 27,481 persons in the employ of the government at Washington who draw \$27,145,700 annually. This is a great country, especially for office holders.

### La Grippe and Pneumonia.

Pneumonia often follows la grippe but never follows the use of Foley's Honey and Tar. It cures la grippe coughs and prevents pneumonia and consumption. As for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vacher, of 157 Osgood St., Chicago writes: My wife had a severe case of la grippe three years ago, and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely." Refuse substitutes. Penny's Drug Store.

RESIGNED.—Mr. O. G. Harrison, who has made the McKinney Deposit Bank a most excellent cashier since it begun operations, has resigned to accept a more lucrative position elsewhere. The directors of the bank, of which Mr. Ed J. Tanner is president, would be glad to communicate with a good, sober, reliable man to succeed Mr. Harrison.

EALY.—Mrs. Little Ealy, the aged mother of George Ealy, died at T. J. Goode's Saturday of pneumonia. She had intended making a visit to Somerset but was taken with the illness that proved fatal. Mrs. Ealy was a splendid woman and her death carried sadness to the hearts of all who knew her. Rev. L. M. Omer preached her funeral at Mr. Goode's Sunday morning at 9:30 o'clock and the burial took place in the McKinney cemetery two hours later.

DEAR INTERIOR.—Please say that Mrs. E. H. Beazley with Rev. W. S. Grinstead and family desire to express their gratitude and offer sincere thanks to the many friends who showed so many acts of kindness to Mr. Beazley in his sickness and death, especially to Dr. Carpenter for his faithful and untiring efforts in trying to save his life; to the K. P.'s for their special acts of kindness; to his brothers, Jack and Jim, for their unbroken devotion and love in deed and truth. Bro. Grinstead says he is so glad that it was Lige's happy lot to set sail for the glory land from dear old Stanford. The Family.

### Better Late Than Never.

It would, of course, be best for you to be so careful about what, when, and how you eat—as never to suffer from any dyspeptic or bowel trouble. But if you do slip up, and begin to suffer the consequences of indiscretions in diet, it is better to begin then, although late, to look after your digestion. At this stage of the game, the best thing to do is to take Dr. Caldwell's (laxative) Syrup Pepsin. It is a pure, digestive tonic, and acts on both stomach, liver, and bowels, curing permanently, and without bad after-effects, such dangerous diseases as constipation, biliousness, dyspepsia, headache, dizziness, etc. Try it. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

### Appeals for Protection.

Your digestive organs appeal loudly for protection, when attacked by the microbes of fermented food, engendered in your stomach and bowels by dyspepsia, biliousness and constipation. This protection you can very easily extend to them, by taking a dose or two of Dr. Caldwell's (laxative) Syrup Pepsin. Will you do it? Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.
